

Professional Remodelers Organization 2010 Scholarship Program

The Professional Remodelers Organization (PRO) established this scholarship program for the relatives of PRO members. The annual scholarship program's purpose is to identify and honor exceptionally able high school and college students, and to provide additional financial assistance to the student.

Who Is Eligible?

High school or college students who are relatives of PRO members can apply for this scholarship. **Scholarship recipients will be required to be present and offer an acceptance speech at the May general membership meeting of PRO.** In August scholarship recipients will provide PRO with a copy of their scheduled classes, and in return will receive their scholarship check. Recipients can only win one scholarship.

To apply for the scholarship, students must submit this application form, along with the requirements listed below, from March 1st thru April 30th. All applications must be postmarked by April 30 or received in the PRO office by April 30.

How Winners Are Selected

Scholarship winners will be chosen on a competitive basis based on their scholastic achievements. Requirements for application are:

1. Copy of high school or college transcript, minimum GPA of 3.0
2. 250 word essay "What does a college education mean to me".
3. Letter of acceptance from an accredited institution for higher education.
4. Letter of recommendation from a teacher, employer or clergy member.
5. Completed application form. Forms not fully completed will not be considered.
